

Log2space Mobile App

Screen Guide

Client: Spacecom Broadband Pvt Ltd (spacecom-local)

Date: May 29, 2026

One screenshot per page with a single-line description.

1. Login

Sign in with username and password; optional OTP login, remember-me, and quick links for Speed Test, Support, and Website.

2. Secure Your Account

Post-login security setup — choose a 4-digit PIN for quick access or skip for later.

3. Home

Dashboard with account summary (plan, validity, status, dues), Pay Now, quick menu shortcuts, and billing overview.

4. Account Details

Full subscriber profile — user ID, contact, address, plan dates, and account/login status.

5. Menu

Main hub grid — renew/upgrade, billing, usage, sessions, KYC, refer friend, Wi-Fi, speed test, partner apps, and settings.

6. Settings

App preferences — language, security (PIN/biometric), FAQ, terms, about, version, and update check.

7. Renew Plan

Browse and renew the current plan or select another plan with speed, validity, OTT, and price.

8. Plan Review & Payment

Review selected plan, price breakdown (base + GST), and proceed to pay or cancel.

9. Billing History

Ledger summary and invoice list with download; switch between Invoices and Payments tabs.

10. Usage Details

Pick a date range and fetch download, upload, total data, and session hours.

11. Session History

Summary of sessions (count, duration, upload/download) and list of daily usage sessions.

12. View KYC

Track submitted KYC documents, verification progress, and view each document.

13. Refer a Friend

Referral form — friend's personal details and installation address for new connection.

14. Update SSID Settings

List Wi-Fi networks (2.4G, 5G, guest) to view or change SSID/password settings.

15. Partner Apps

Download partner OTT apps (e.g. OTTPlay, PlayBox TV) from Play Store or App Store.

16. Support (Contact Us)

Contact phone, website, hours, escalation matrix, and office locations with map links.

17. Support Tickets

List of support complaints with open/closed status, subject, and created date.

18. Create New Complaint

The screenshot shows a mobile app interface for Log2space. At the top, the status bar displays the time 2:59 and signal icons. The app's header bar is dark blue with the 'Log2space' logo and a back arrow. Below the header, the 'Support Tickets' section is visible, featuring a 'New' button. A modal dialog box titled 'Create New Complaint' is open, containing a 'Problem Type' dropdown menu, a 'Problem Description' text area, and 'Cancel' and 'Submit' buttons at the bottom.
